introducing YourCar

the choice is yours

Wouldn't it be easier if minicabs were more accessible? Wouldn't it be better if minicab drivers were more helpful and patient? If you've ever thought that there should be a car service that really meets your needs – then YourCar could be just what you've been looking for.

an alternative to minicabs

YourCar is a new membership scheme that provides you with a low-cost, accessible alternative to using minicabs and taxis. It has been designed specifically to support people who might have difficulty using public transport and where taxis and regular minicabs don't meet all of your needs.

five reasons to choose us

1 affordable

You will find YourCar's rates are highly competitive in comparison to traditional minicab hire – and we always quote a price at the time of your booking so there are no surprises.

2 understanding

YourCar drivers have been specifically trained to help people who might need more support, patience and understanding when they make their journey.

3 accessible

YourCar uses the very latest fully accessible vehicles to ensure that everyone can get out and about – including wheelchair users.

4 safe

For your peace of mind, all YourCar drivers have passed a CRB police check.

5 reliable

We'll always try to get to you on time – and we'll never tell you that we are 'just five minutes away' unless it is true.

how it works

become a member

To get started, you'll need to become a member. Annual membership costs just £1 and joining couldn't be easier – just complete the form opposite and return it to us. There's no need to send any money now as we'll add the £1 membership to your first fare when you start using the service.

book your journey

After that, you simply call the booking hotline during office hours, let us know when you need to travel, where you are going and if anyone else will be travelling with you. Our friendly and helpful staff will quote you an exact price for your journey based on the information you have provided.

away you go

YourCar will arrive at the appointed time and away you go. As a member, you can be sure that we'll always send a vehicle and trained driver that meets your individual needs and requirements. At the end of the journey, simply pay the driver the quoted fare – just like a regular minicab.
